### Construction Workers Share their Enthusiasm for “Building the Future at LAX”

Los Angeles International Airport (LAX) released a video focusing on the hard working men and women who are making “the new LAX” a reality. A lot of news has been generated lately about the project but not on the people who work behind the scenes. For more information, click

<http://www.youtube.com/watch?v=GvIs0D0LGM8>

## **Air Service News**

### Delta Airlines to Provide Service through Smartphone Apps

Delta Airlines is increasing its app services to provide better customer satisfaction. By giving customers the opportunity to adjust their travel itineraries and download boarding passes. These capabilities will help ease hassles and improve the in-flight experience of the airline. For more information, click
